## ANTIQUES \& COLLECTIBLES SINCE 1962

SUpporting american Small businesses and Celebrating a Rich History of quality goods

About Shupp's Grove...The "picker's market" where REAL DEALS still happen!
We are located in beautiful Lancaster County, being the first outdoor antique market in the Adamstown area, operating each season since 1962. Although the Adamstown area now boasts many fine antique markets, Shupp's Grove has remained a favorite with many antiquers nationwide. It may have something to do with being "down on the farm" and "out in the woods," or perhaps it is because our dealers sell their own goods and have them priced to sell. Because we think the social experience of collecting should be as pleasurable as any collection, we invite you to enjoy...
the romance of the woods, the thrill of the hunt and the euphoria of "the big find!

## ABOUT THEME WEEKS

Theme weeks do not replace our regular dealers with their wonderful selection of merchandise. They are meant to assist our dealers in coinciding their merchandise and extra stock items with our pickers, dealers and collectors who travel great distances to shop our market for specialty items. This is also an aid to locals who wish to disband special collections or estates.
